

# ***WHIZZ, JUMP, SPIN, HOOT, RUN, FLUTTER AND FLY***

*(no batteries required)*

**C.P.D. AT POLLOCK'S TOY MUSEUM CROYDON**

**WEDNESDAY 24TH SEPTEMBER 2025 12-4.30pm**

Artist Tony Hayward offers an opportunity for teachers to explore ideas, make and share the delight of creating imaginative moving toys using simple physical principles.

This half-day workshop begins with Tony showing a selection of dynamic toys from his extensive collection and researches in India, together with examples from Pollocks collection. This will be followed by a practical workshop making one/two toys using basic materials and physical principles such as linked motion, gravity and stored energy.

*Suitable for primary, secondary and college teachers, with broad applications across the curriculum.*

**Cost £150**

**(light lunch 12-1pm – please tell us of any dietary requirements)**

**Book on [www.pollockstoymuseum.co.uk](http://www.pollockstoymuseum.co.uk)**

**Enquiries to Curator Debby Brown via the website**
